Directions from Houston
 Drive South on IH 45 (Gulf Freeway). Exit Bay Area Blvd, stay on the feeder road and go under the bridge then circle to the right to get on the bridge and cross over IH45 heading East. Stay on Bay Area Blvd heading East, past Highway 3. You will see the Metro Park & Ride on your left and a car dealership on your right. Turn right between the two car dealerships onto Feather Craft. Drive south until just before the street ends at Medical Center Blvd and our office is the last building on the left on Feather Craft. We are in a single story red brick building with a gray roof.

Bay Brook Mall

At either Bay Area Blvd or Nasa Road One, once you are on the feeder road, you must go under the overpass and then curve around to the right to get up on the bridge to go over IH 45 heading East.
